

LUCY'S LAWS OF GOLF

1. **Understand** the rules, traditions, language and nuances of golf.
2. **Be prepared** before and during the round - make sure you have the equipment you need to play, arrive in time to warm up, know the format if you are playing in an event and be ready to hit your shot when it's your turn.
3. **Look professional** by selecting appropriate attire - you don't have to play like a professional, just look like one!
4. **Be polite** by answering and extending invitations in a timely manner.
5. **Punctuality is sacred** in golf; always arrive early for your tee time.
6. **Be honest** about your score, your handicap and the rules.
7. **Respect** the golf course. Leave it in the condition in which you found it - rake bunkers, replace divots and obey golf cart rules.
8. **Be considerate** of your playing partners by not moving or talking while they are hitting, by standing in the proper place and by not talking too much.
9. **Be a good sport**. Recognize good shots, avoid whining and tantrums, play with expediency and allow faster groups to play through.
10. **Relax and have fun** - golf is only a game!
